Dear Sirs!

Hereby «LG Electronics RUS» LLC informs that SMARTEQ is a direct authorized partner of LG B2B Hotel TV division since 2009.

In 2013 SMARTEQ was recognized as best hotel SI in CIS region and in 2014 as most innovative SI. Surely during last years SMARTEQ is keeping the status of one of the best players in the industry.

In 2014 SMARTEQ has launched its IP TV solution under Hoteza brand name. LG Electronics TV sets and Hoteza system perfectly match together and have become an excellent business solution for hotels of different categories. It's an outstanding product on the market and a worthy investment in development of services industry.
